# FOREWORD

We all, like Jason, have sought the golden fleece of Knowledge and, laboring much, have found it. The Argo, named for the argosies of Jason, follows the theme of the ancient search for the golden fleece in this volume. May we, too, in the years to come find this a golden souvenir of our college argosy.

# CAMPUS

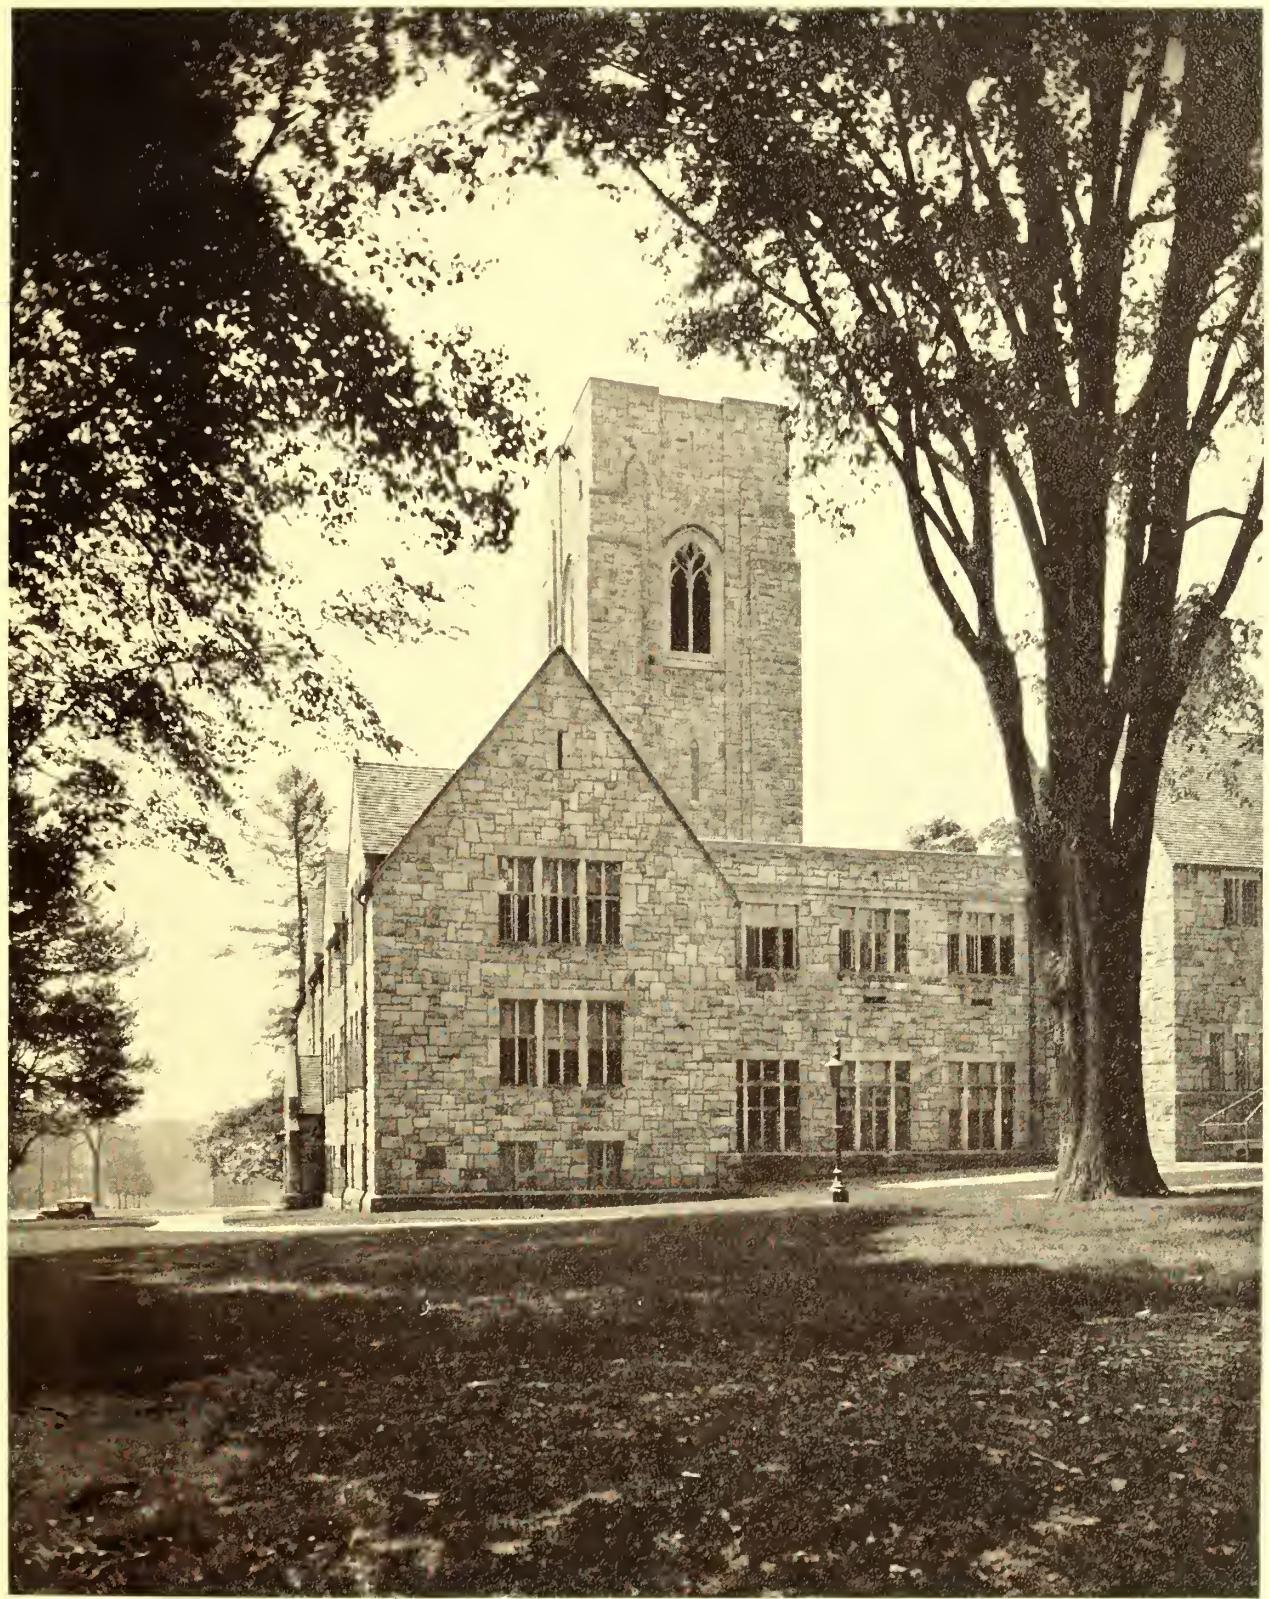

*"In thine halls the lamp of learning  
Is held forth for us to take."*

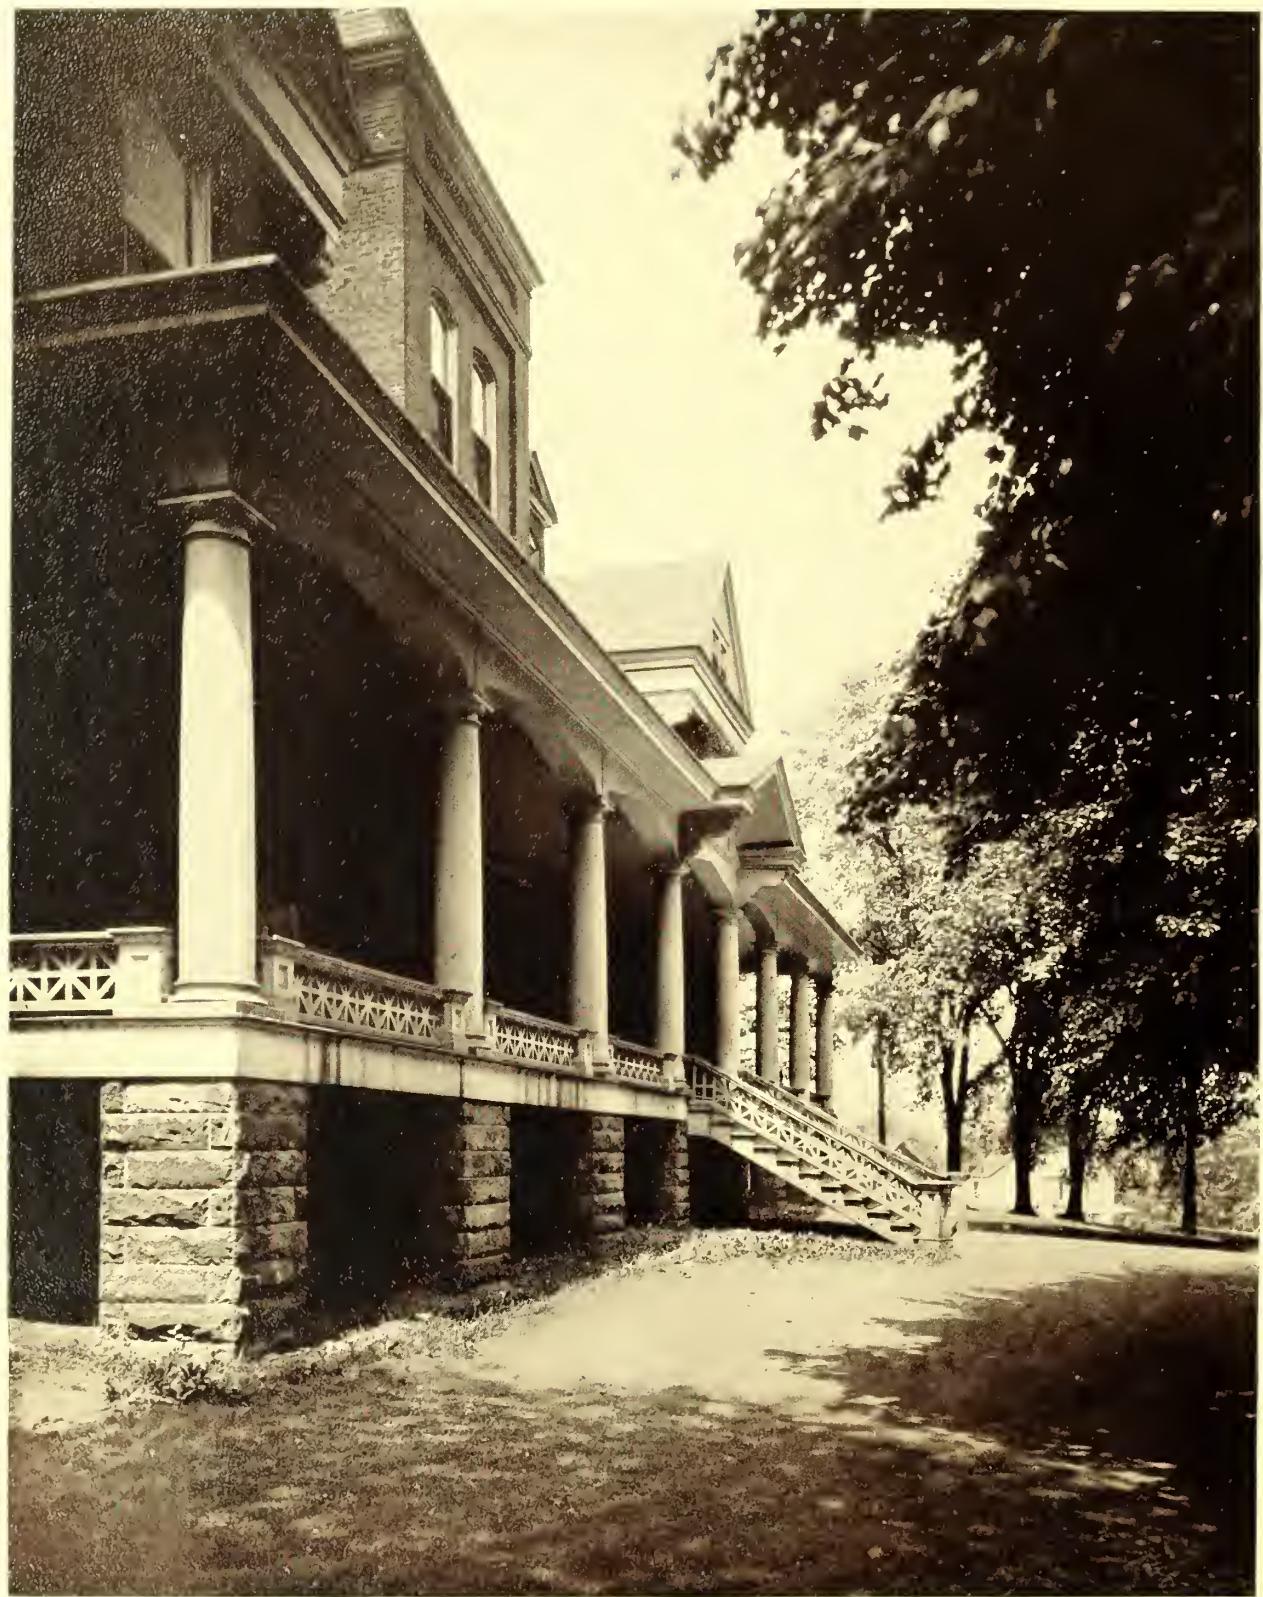

*"There is a look of wisdom in yon stones,  
Great boulders basking in the noonday heat."*

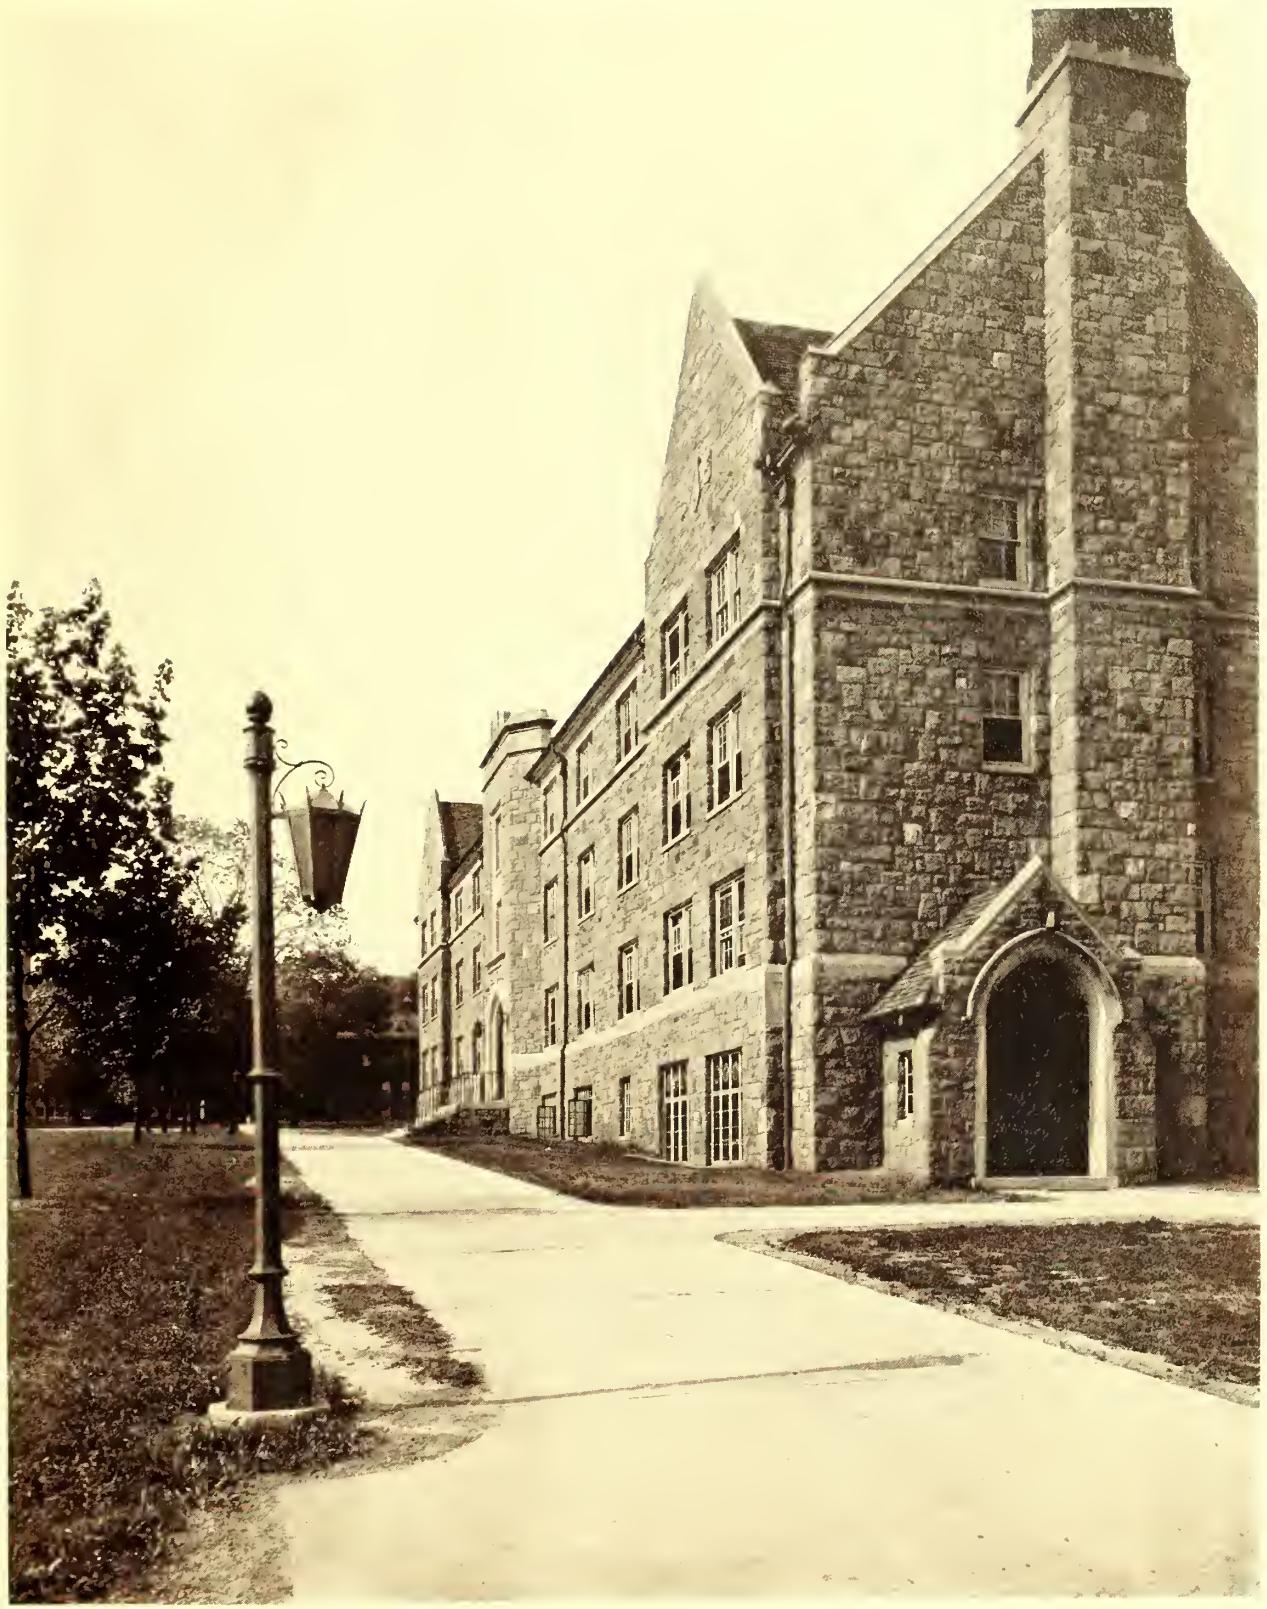

*"To walk in wisdom's pleasant way."*

*"That tower of strength  
Which stood four-square to all the winds that blew."*

*"Her ways are ways of pleasantness,  
and all her paths are peace."*

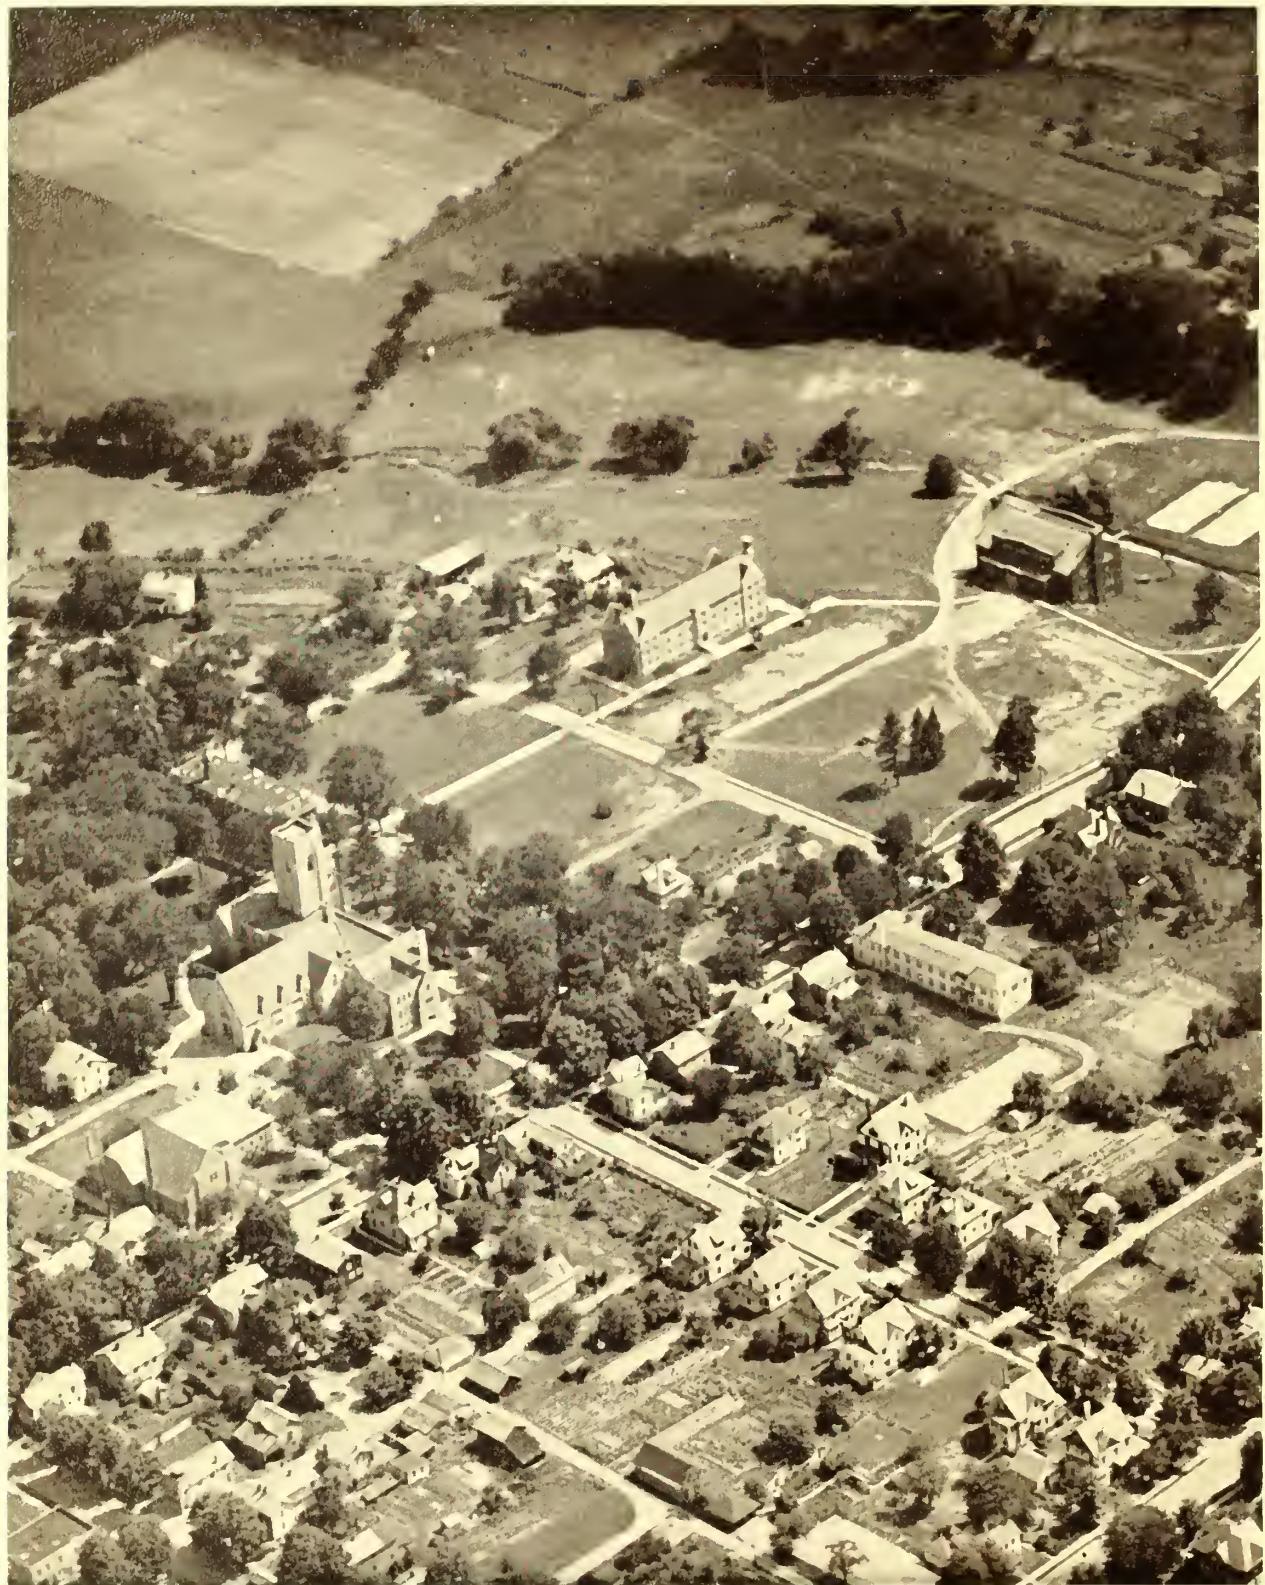

*"Up, lad; when the journey's over  
There'll be time enough to sleep."*

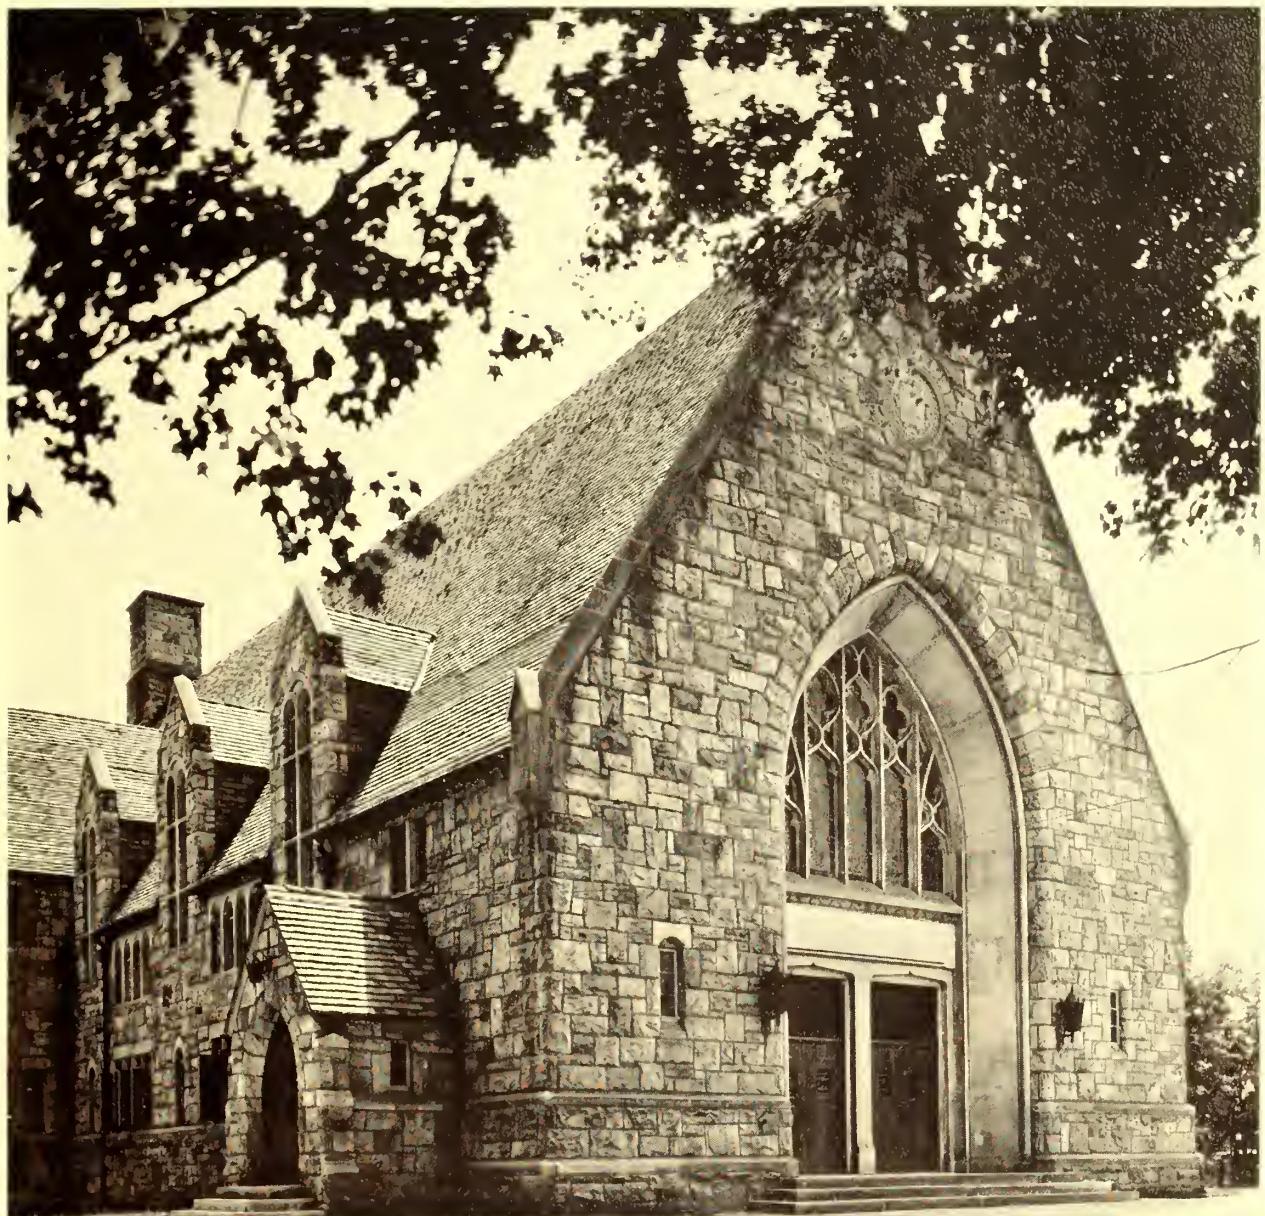

*"Here will we sit and let the sounds of music  
Creep in our ears."*

*"Turns them to shapes and gives to any nothing  
A local habitatus and a name."*

*"Mine be the breezy hill that skirts the down;  
Where a green grassy turf is all I crave."*

*"Tall, trim, and true, this stately stone."*

*"Yet all experience is an arch wherethro'  
Gleams that untraveled world whose margin fades  
Forever and forever when I move."*

Winning tour out of nine games, Coach "Dike" Beede's Westminster football team ended a rather hard season. The departure of assistant coaches Lawther and Havrilla, forced Beede to play a lone hand, and in spite of this "Dike" produced a good team. The loss of Pipoly, Sweet, Brownlee, and Dombrowski was supplemented with new freshman material that showed well enough to predict a great team next year. Captain Boone, center, Emmett Tweedy, end, Armour, tackle, and Haldy, halfback, are the only losses to be met with in the 1931 campaign.

#### WESTMINSTER 19 — EDINBORO 12

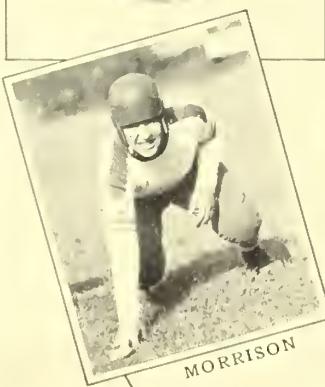

The initial game of the season proved to be an auspicious beginning, during which Edinboro State Teachers were easily subdued. This game introduced some of the new candidates, and also witnessed the departure of one of the most promising when Meider, freshman end, twisted his knee. The new players who gave sterling exhibitions were Kozicki, Hamas, Shaffer, and Uram. The first three minutes of the game cast a cloud of gloom over the Blue and White fans when the Teachers' blocked a punt and fell on the ball for a touchdown. But the gloom was dispelled when the Titan machine began rolling with a mixture of Meider-end-around, passes, and plunges. The forward passing in this game was a dazzling feature as the Titans marched down the field to score three touchdowns, just enough to clinch the game.

#### WESTMINSTER 0 — WASHINGTON and JEFFERSON 35

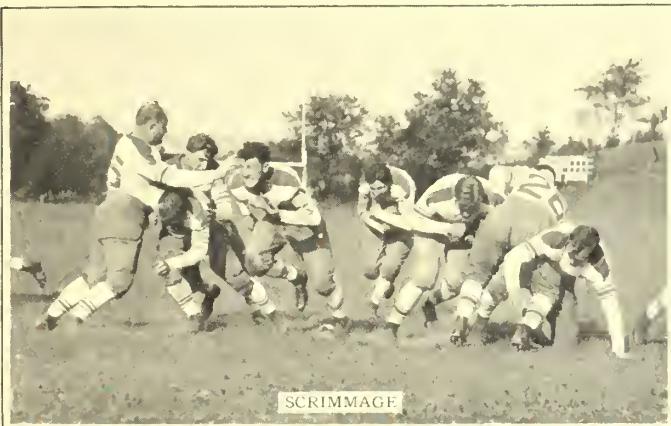

Resuming hostilities with W. & J., broken off since 1922, found the Titans on the short end of their first defeat of the season. The Blue and White's first game abroad covered them with glory, due to their great defensive work against a much heavier aggregation. W. & J. scored 14 first downs to the Titans' 5. The first quarter saw a scoreless battle, but the second period with the Red and Black's reserve material proved to be too great for the lighter Titans. Two of the touchdowns were "flukes" but were allowed by the referee. The entire Westminster line played a stellar game while Armstrong featured the Red and Black's attack with his long runs, one of them being an 87 yard run for a touchdown. Excluding the second quarter, the contest was a real battle with just seven points being scored in three quarters.

#### WESTMINSTER 6 — ALLEGHENY 7

In the annual home-coming fracas on October 11, Westminster lost a real thriller to Allegheny by being offside during the extra-point play. This is the reverse of last year's contest, which was a 7-6 victory for the U. P.'s before Allegheny's home-coming crowd. The hot weather may have been rather instrumental in defeating the Titans for fumbles were frequent and many substitutions were required to replace the exhausted Titans. Garback was the shining light of the contest, for his zeal was not appeased until the Methodists had the ball over the line for the first score. But the Titans came back strong and with straight football that thrilled the alumni made six first downs to score a touchdown. On the end-around Cebula claimed to have been over, but the referee wasn't quick enough to detect the shoving of the ball away from the line, dooming the Titan hope for the day.

FULLER

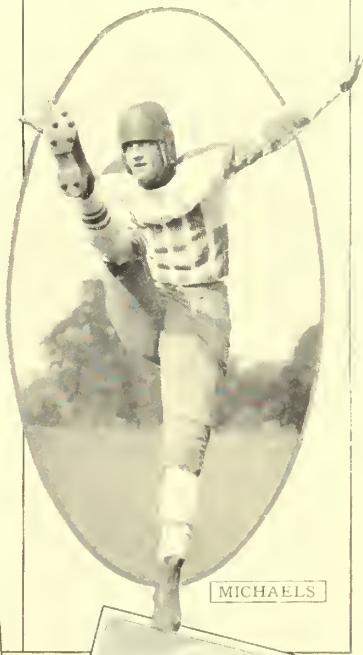

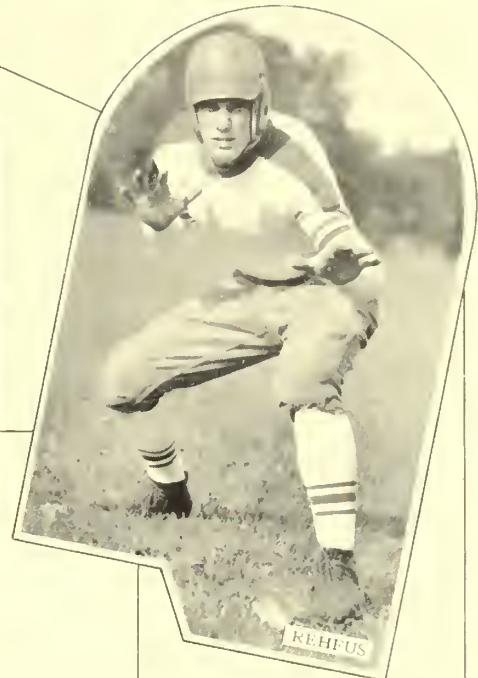

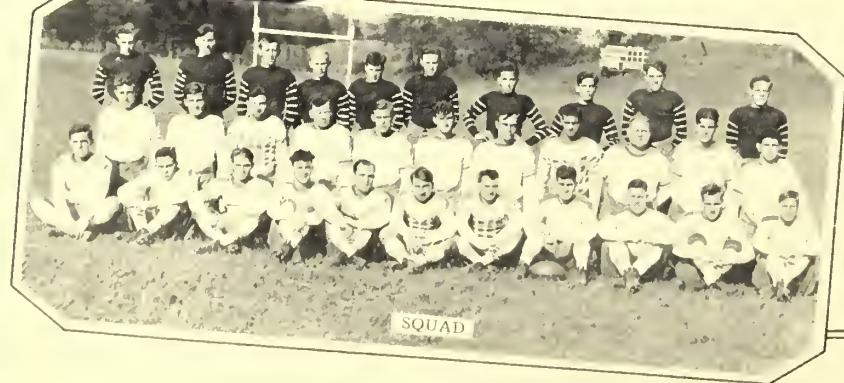

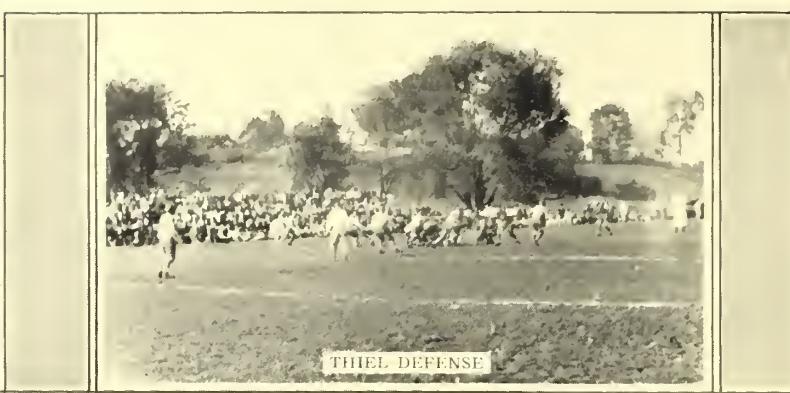

#### WESTMINSTER 0 — GROVE CITY 19

Grove City and cold weather proved too difficult for the Titans, and the Crimson saw another victory before their annual home-coming crowd. The sterling Titan line consistently checked the Crimson bucks, forcing them to resort to end-run plays. The Blue and White's best threat carried the ball to the 23 yard line before being stopped in the second quarter. Kammer, Alexander, and Pusch led the Crimson attack, while the Titan line played its usual defensive game. During this game Meider was again injured, probably destroying any hopes of playing in the remaining games of the season.

#### WESTMINSTER 29 — SLIPPERY ROCK 0

With a great running attack featuring Tweedy, Ketterer, and Shaffer on end-runs and aerial heaves, the Titans vanquished the big Green eleven from the Teacher's College. This game, surprisingly lacking in nervous tension proved to be the Titans best game offensively in the present campaign. The dying moments of the game were featured by a series of forward passes completed by the big Green eleven, only to end in a grounded ball beyond the goal line at the close of the game. Ott and Martin showed well for the Slippery Rock eleven. Ketterer, a freshman halfback, starred on a few end-run plays during the latter part of the game.

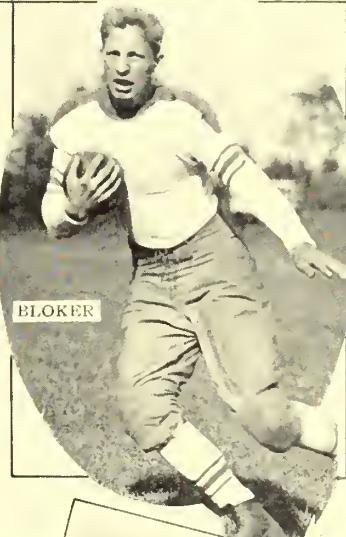

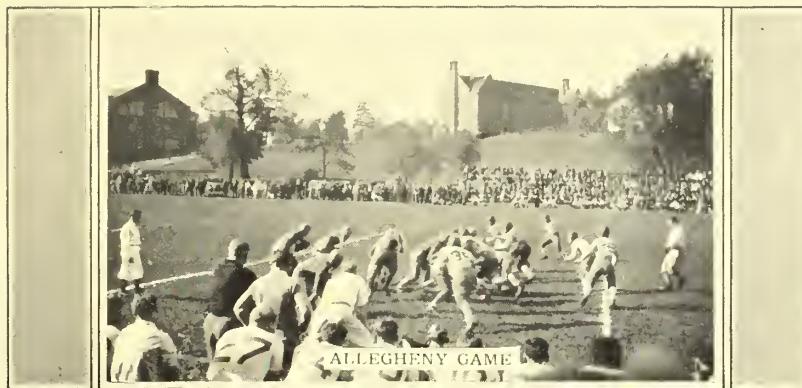

#### WESTMINSTER 19 — JUNIATA 0

Before Juniata's home-coming crowd, the Titans showed some splendid playing to emerge victorious. The fine offense of the Blue and White is recorded by 23 first downs in comparison with four for the Indians. The fast charging of the Titan line was the real feature of the game, and it was very instrumental in bringing on the scores. The Huntington team tried valiantly to score by forward passing, but were not clever enough for the Titans. Captain Andrew and Petty, both back-field men, featured the attack for Juniata.

#### WESTMINSTER 0 — GENEVA 7

Captain Johnny Knapic's Covenanters proved to be the stronger, and vanquished the Titans only after a desperate passing attack. Last year the Geneva team was trounced by the Blue and White's aerial attack, but this year the tables were turned by a reversal of form with the Covenanters scoring on the end of a long heave from Knapic to Seaburn. The Titans looked great, and even in defeat scored 8 first downs to Geneva's 10. The tussle between both lines was a thrilling feature. Knapic, Aultman, and Ewing featured the Golden attack, while Boone, Uram, Shaffer, and Kozicki were always in the thick of the fray for the Titans.

### WESTMINSTER 0 — THIEL 12

In a very listless contest, the Tomcats administered a surprising defeat to the Westminster eleven. For three quarters, with numerous errors committed by both players and officials, the ball see-sawed until the Lutherans scored in the dying moments to win 12-0. In spite of the defeat, the Titans were ahead in the matter of first downs, 16-7. The contest was closed with a general rumpus over the officiating but it was short-lived as Wardle raced for a second touchdown after the game was over, but the score was allowed as the play was begun before the game was ended. The Titans outplayed the Lutherans in every department yet they lacked the punch to score the winning tallies.

### WESTMINSTER 14 — BETHANY 0

In the final game of the season the Titans defeated the Bisons, thus completing Bethany's season for them with nary a victory. This game witnessed the last battle of four Titans: Arnold, Tweedy, Haldy, and Boone.

The ragged playing of both teams in the first half was cut short during the intermission, after which the Beede-men, inspired by "Dike's" lecture worked just enough to score two touchdowns. Shaffer, Armour, and Haldy looked good for the Titans, while Pollard and McVeigh led the Bison attack.

The close of another successful season finds the Westminster College quintet as champions of the Tri-State Conference, and also of the Tri-State district. This is the fourth time within six years that such laurels have been won by a Titan basketball team. Just one game was lost this season, but fifteen were won; five being practice games. This makes a total of 91 victories out of 114 games in five years, a true record of consistency. Coach Lawrence "Pops" Harrison's fine offensive team averaged forty-two points a game to the opponents' twenty-three, totaling 681 points to 566 by the opponents. This record is more commendable due to the fact that the Titans had to adapt themselves to a new system taught by Harrison, a new coach, and because of badly arranged schedules that prevented priming for any particular game. The last several games were definitely dated, and the squad showed the difference by a greater margin of points.

In the Tri-State conference league, the Titans won six out of seven games while the nearest rival lost three games.

After a few pre-season practice games the Titans began to look forward to the Grove City encounter on the latter's floor. This game opened the regular season's schedule.

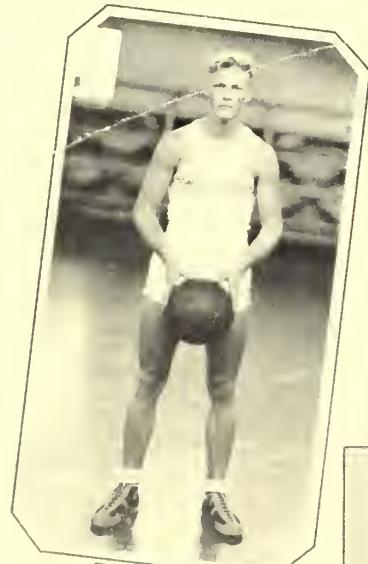

The Grove City game was fast and hard fought; but the Titan defense gained the victory, 24-22. It proved to be a fine start for Pops Harrison and for the 1931 Titan crew. It was a great victory, for the Grovers had a fine team, in fact the same team as last year's with new material added.

The next game opened the home court series of encounters with the Waynesburg's Yellow Jackets. It was another victory for the Blue and White, 37-22. This was an impressive victory for the losers were strong enough this season to defeat the highly touted Duquesne University outfit, 39-33.

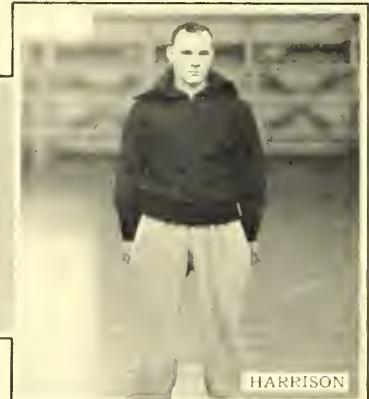

WILLIAMS

HARRISON

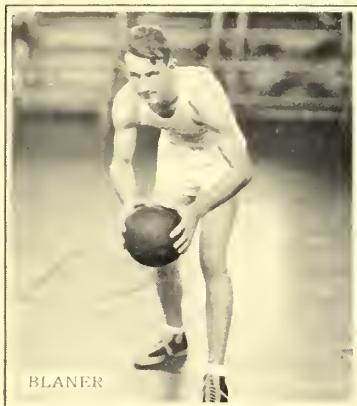

Another home game followed being a win over Allegheny, 32-22. The Alligators were not very impressive, probably because the Titans started with the whistle to gain the lead which was never overcome. The losers were practically the same team that coach Baker had last year.

Looking forward to the next game as a set-up, the Titans were almost surprised with a defeat. But the Blue and White men worked through for a marginal victory, 24-23, over Thiel on the latter's floor. The Thiel outfit was a tough outfit having defeated some of the best teams in the district, but the Titans seemed to under-rate. The surprise came when the Titans throwing a zone defense up to the center of the court, saw Bell shoot four goals from beyond the center and McCoy follow with a fifth one also from no-man's land, thus making eleven points shot by the center. Things looked bad for the Titans, 0-11; but Murad-like, the Blue and White's defense forced the Thiel outfit still further back where they did little damage. Then the Titans began to work the ball for enough points to overcome the lead and win the game.

This game seemed to start a mid-semester lag that witnesses the Titan's lone defeat of the season. The score 21-24 seemed to indicate a close defensive battle, but it wasn't good defensive playing of Geneva that held the Titans. The Blue and White had plenty of shots but they seemed to bound off like a small rubber ball off the rim. The Titans seemed to lack the dash and pep that was evident in yearly season tilts. This was the only game during exam week: the next one being played a week from Saturday, Feb. 7, at Meadville. The Titans had a nice lead at the half, but the Alligators cut it down to make the game close and exciting. It ended 37-34, the Titans seemed to have regained the stride again, for in the next game Youngstown Y. College was swamped by 50-16 score, featured by a second team of the Titans who played a fast game.

By the next game, the Titans were well rested and ready to play another hard one, this time the Crimson squad from Grove City. The Thorn-passers were out to avenge the early season defeat and came with fire in their eyes to New Wilmington, as was evidenced by a 11-0 lead in the first ten minutes of play. But the Blue and White cagers undaunted amidst such circumstances, started to cut down the lead. In four minutes of the first half that were left, the score was changed by 2-7 making it 13-7 in favor of Grove City at the end of the half. Inspired by Harrison between halves the Titans returned to play real come-back ball, to tie the score at 17 all and then pull ahead to 29-25 with Westminster on the long end. If there ever was a thriller it was this game, especially during the first ten minutes of the second half.

Stimulated by the fine win over the Thorn men, Westminster journeyed to Buffalo Creek, West Virginia, to subdue the Bisons that were bowling over all opposition before them. With nary a defeat on their slate, the Bethany giants were confident of keeping a good record, in fact very few thought otherwise, sad to say even very few Titan supporters were confident of victory. But Harrison and his squad were determined to win. But they were slow in starting and found themselves trailing 15-2 at the end of the first ten minutes of play. Then the Titan lads began to roll up the points and tied the score at 15-15 at the end of the first half. Then refreshed as usual by the rest-period the Blue and White tossers began to settle down and play real ball. They piled up the lead which the Knightmen could not overcome and proved the Titans to be a squad of real fighters.

CONSIDINE

Mac DONALD

The next game was a let-up and the second team displayed their talent in swamping Thiel, 62-18. The Thiel lads without the services of their star performer, Wardle, were helpless, and could not even get a long shot as they did in the first game at Greenville. This game was played on Mothers' Day and was a nice one with which to impress them of the good playing of the Titans.

The following Monday, Bethany came to New Wilmington hoping to even the first game which was the only one loss to date. But the Titans were primed and ready, and started with delay to mass a lead that was never overcome. When the final gun was sounded the Green boys were trailing, 50-30. This game displayed the Westminster lads at their peak, and it was a wonderful exhibition to behold.

And then came the long awaited for opportunity. A chance for revenge was at hand when the night of the last game rolled around. The opponents were to be the Gold squad from Geneva, the only team to score a win over the Titans in the 1931 season.

Before the echo of the first whistle died away the Titans were ahead 7-0, and their superb brand of ball began to tell on the Covenanters. The Blue and White passers worked in great style and led 24-12 at the end of the first half. The second team entered the fray and held the Loefflerites on even terms. The game ended 38-22 proving they were superior to the Geneva lads.

Ten lettermen were developed this season and only one will be lost for the next season due to graduation. He is Marshall Fisher. May no credit be distracted from this young man whose defensive play was a real asset to the team. Other letter men were: Phillip Rice, captain; Harry Brownlee, Michael Kocheran, William Douglass, John Hamas, Mauno Siljander, Daniel Considine, Theodore Blaner, and Charles Arthurs.

### WESTMINSTER 88 — ALLEGHENY 47

Duplicating the last year's score, the Titans defeated the Methodists at New Wilmington on May 10. Two new college records were established. They were made by Harry Brownlee, who was also high point man with 16 markers. He lopped a second off the old record held by H. S. Ward, 1915, in the 120-yard high hurdles at  $15\frac{1}{2}$  seconds. He also broke his old record of  $13\frac{1}{2}$  seconds in the 120 yard low hurdles by  $\frac{1}{2}$  second.

Both teams gained 36 points in the track events but the Blue and White was superior in the field events, 52-11.

### WESTMINSTER 53 — GENEVA 82

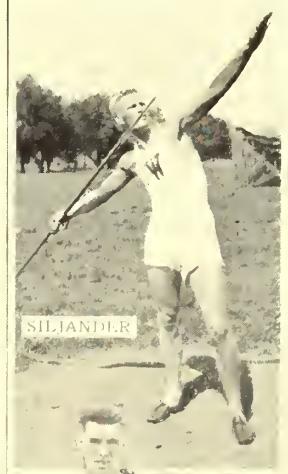

In a meet witnessed by a lowering of 5 college track records and tie in the 6th, the Titans lost their only dual meet of the season at New Wilmington on May 17. Thomas of Geneva led with 3 firsts for a total of 15 points. Brownlee was second with 14. Thomas broke the 220 and the 440 yard dashes and tied the 100 yard record at 10 seconds. The Titans were outclassed in the track events 18-54 but were superior in field events, 35-28.

## TRI-STATE CONFERENCE MEET

The close of another successful season witnessed Coach Graham's lads finish second at Beaver Falls on Memorial Day. Geneva was first with 82 points while the Titans scored 58½ points. For the second time in as many years, Brownlee received the high point trophy with 16 points. Thomas, of Geneva had one point less. The Titans took first in the high hurdles, the discus, and shot put.

## LETTERMEN

Fifteen Titans earned varsity letters in the track and field events in the 1930 season. They were: Co-Captain William Crowell, Sharon; Co-Captain Kenneth Delahunty, Indiana; Harry Brownlee, Lock Haven; Wilson Botsford, Pittsburgh; Dean Osborne, Youngstown; Samuel Stewart, McKeesport; Bryce Yourd, Unity; Marvin Clark, Knox; Mauno Siljander, Pittsburgh; Robert Deacle, Sharpsville; Richard Fuller, S. Milwaukee; and James Smalley, Elizabeth; Student Manager Henry Wettich, New Castle, was also awarded a letter, and Kenneth Miller of Swissvale was appointed student manager for the 1931 season. Louis Peresenyi, Turtle Creek, was elected captain for the 1931 season.

## CROSS COUNTRY

1930 Season

The opening meet of the 1930 cross country season was held at Schenley Park, Pittsburgh, where the Titans succumbed to defeat by Carnegie Tech with only a small margin on October 25, the score being 29-26.

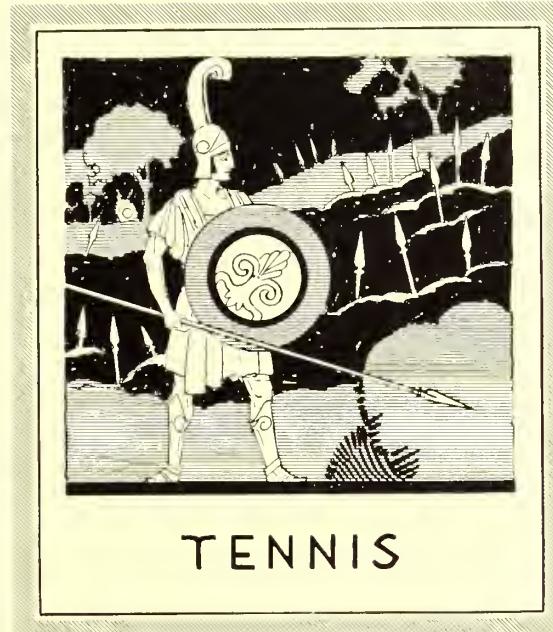

The next meet was also another defeat: this being administered by Geneva at home on November 8, with a score of 25-20.

The Titans fared better in the next meet at Schenley Park held by the Allegheny Mountain Association, in which the Blue and White placed a good third.

The hill and dalers won over Allegheny in the last meet of the season on November 15 at New Wilmington with a score of 24-31.

Captain-elect James Smalley proved to be the Titan's consistent scorer, taking first in Allegheny, and Geneva, and second in the Geneva meet.

Lettermen were Robert Wallace, Coraopolis; Captain-elect James Smalley, Elizabeth; Thomas Coles, Homestead; and Paul Quimby, Sharon.

Breaking even in three dual meets, the Westminster net-men closed the season by relinquishing the conference title to Geneva. The chief difficulty was the replacement of Captain William Clark, whose loss was severely felt after the first game with Duquesne.

The season opened with a victory over Allegheny at New Wilmington on May 1. Captain Clark played well in his matches to aid victory.

The next meet was a hard fought game only to lose to Geneva, at Beaver Falls by a score of 3 to 4.

The Titans regained their stride in the next meet and won rather easily from Thiel at New Wilmington, 6 to 1, with the entire team featuring in the victory.

Another match away from home proved to be another victory. Duquesne was defeated at Pittsburgh by a score of 4 to 3.

PERKINS

MAYER, MANAGER

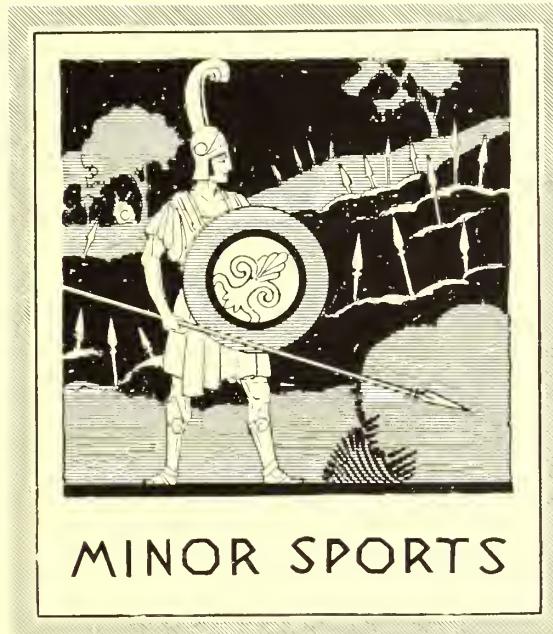

After the game with Duquesne the success was curtailed, for Capt. Clarke was lost to the squad, and his absence was keenly felt as the scores indicate.

They were 7 to 0 in favor of Geneva and 4 to 0 in favor of Duquesne. Both these matches were played at New Wilmington.

Much credit is due to the lettermen and their coach, Joseph McFate. The lettermen were: Captain Clark, New Wilmington; Captain-elect John Witherspoon, Ben Avon; David Findlay, Ben Avon; William Smith, Cambridge, N. Y.; and Clarence Tiers, Pittsburgh.

Wallace Maxwell, student manager, also received the due award, and James Mayer was elected as student manager for the coming season.

The prospects for the 1931 season are very promising, and it may be that the Conference title will again rest at New Wilmington.

HULME

#### MINOR SPORTS

Much interest has been aroused in minor sports by Jack Hulme, physical director, so that most of the student body has at some time or other indulged in intra-mural basketball and mushball, inter-class football, swimming, badminton, water polo, and archery golf.

#### INTRA-MURAL MUSHBALL

Great enthusiasm has been engendered in this newly-inaugurated sport. The league was organized in the spring of 1930 and was finally won by the Kappa Phi Lambda fraternity. Thrilling from the start, it looked to be a victory for the T. U. O.'s who led throughout most of the season. But the Kaps improved right along and finally defeated the T. U. O.'s to capture the championship, winning 6 out of 7 games. The T. U. O.'s were runners-up winning 4 out of 6 games.

#### INTRA-MURAL BASKETBALL

Playing up to expectations, the Kap basketeers regained their championship that was won by the Deltas in 1930, after the Kap team had lost several of their regulars. This year the Kaps didn't have any opposition and they easily completed their 6 game schedule with nary a defeat.

The Kap superiority was prevalent in team shooting, in goals, both from the field and from the foul line. Rehfus was individual high scorer with 42 points and Cebula his team-mate second with 28.

#### INTER-CLASS FOOTBALL

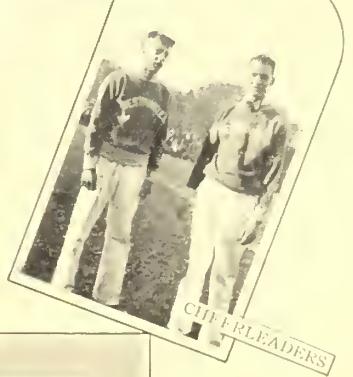

After three consecutive wins the Frosh were finally vanquished in the fall of 1930. The game appeared to be scoreless until the Frosh scored a touchdown in the third quarter. But the failure to kick the extra point proved their undoing for the Sophs finally pushed over a touchdown and made the extra point to clinch a victory. "Marsh" Fisher coached the Sophomores while the Freshmen were under the tutelage of Elmer Meider.

#### INTER-CLASS TRACK

An interesting meet was held last spring (1930) between the Freshmen and the Sophomores, ending in a tie at 36 all. Brownlee of Lock Haven proved to be high scorer with 5 first for the Sophomores.

#### GIRLS' SPORTS

Lois Stewart proved to be the girls' stellar example, for she copped the singles badminton championship, the annual tennis tournament, and also the leadership in the archery golf league.

### CHEERLEADING

During the past year, the cheerleaders were chosen from the class in cheerleading conducted by Jack Hulme. The class was organized in 1928, and since then has been the chief source for cheerleaders. During the past year the cheerleaders have been in charge of Kenneth Hemer, and he was assisted by Louis Hazen, Leander McComb, Herman Donley, and Clarence Tiers.

### BADMINTON

A new game, organized as a girls' activity during the 1929 season, was badminton. Much interest has been aroused in the game, in that the playing is similar to that of tennis. In the closing season of 1931, Misses Lois Stewart, Katherine Agnew, Mary A. Neill, Dorothy Brown, Pauline Robinson, Emma Koegler, Beeky Wallace, Grace Jones, Elmira Schoup, Dorothy Sellar, Mary Mercer, Gretchen Welch, Elizabeth Newell, and Clara Sherwin have been the outstanding players.

### PITT PLAY DAY

The Pitt Play Day is an annual feature of the women's physical education department at University of Pittsburgh, and invitations are issued to nearly all of the colleges in western Pennsylvania. Westminster College was represented at the meeting for the first time during last year. This year the following will make the trip to Pittsburgh: Lois Stewart, Geraldine Laing, Pearl Hoagland, Louise Moreland, Dorothy Brown, K. Johnston, Pauline Robinson, Florenee Groth, Clare Durrast, Emma Koegler, Elizabeth Curtis, Caroline Daverio, Harriet Robinson, Polly Sellar, M. J. Stundkard, and Rebecca Wallace.

TAU KAPPA ALPHA

Tau Kappa Alpha, a national honorary debating fraternity, is the sponsor of intercollegiate and class debates on the campus. The national organization was founded at Indianapolis in 1908 and the chapter of Westminster has been in existence since 1911. In 1928, Alpha Sigma Alpha, women's debating fraternity, was incorporated in Tau Kappa Alpha.

TAU GAMMA DELTA

Tau Gamma Delta, local honorary journalistic fraternity for men, was founded in 1923. The purpose of the fraternity is to sponsor campus publications and to promote journalistic activity among Westminster men. Membership is limited to editors and managers of campus publications. "The Westminstrel," college humorous magazine, is sponsored by the fraternity.

PSI NU

Psi Nu, the honorary journalistic fraternity for women, was founded in 1926. The fraternity is a sister organization of the Tau Gamma Delta and has as its object the promotion of interest in journalism among the Westminster women.

DELTA NABLA

Delta Nabla, honorary mathematics fraternity, was founded in 1928 to promote a more active interest in mathematical studies. Mathematics majors who have completed eleven semester hours of the subject with a B average are eligible for membership. Mr. Black and Mrs. Euwema are faculty advisors.

THE MASQUERS

The Masquers, honorary dramatic fraternity, was organized in 1930 to succeed the "Bells and Buskins" founded in 1924. The purpose of the fraternity is to promote interest and develop ability in the field of drama. Eligibility is determined by an honor point system based on the ability of a student as an actor or in stage craft.

The policy of the fraternity is to attend the presentation of at least one good play during the year and on May 21, 1930, they witnessed the performance of Ibsen's "Hedda Gabler" in the Cleveland Play House. Another such trip is being planned for this spring. Several social events have been held and eight new members initiated during the year.

## ACTIVITIES

PUBLICATIONS

## The Argo

Founded 1904

The Westminster College Year Book

Published Annually by the Junior Class  
Member of the National Scholastic Press  
Association.

### Volume XXVII

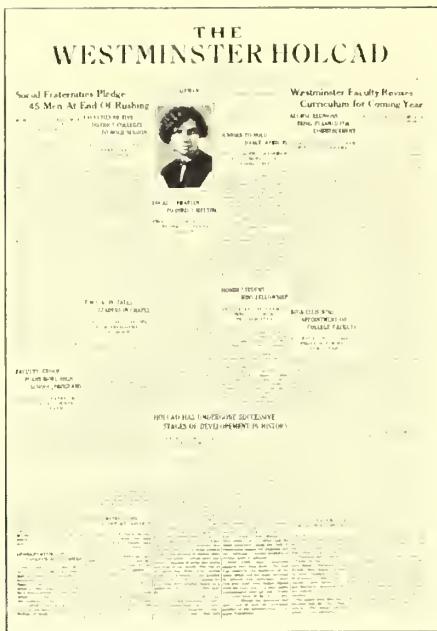

The first Argo was published by the senior class of 1904 with the purpose of presenting the various sides of campus life and giving recognition to extra-curricular activities. The second book was published by the class of 1906 in their junior year and since that time the responsibility of editing the book has rested on the Junior class.

The staff is appointed by the Faculty Committee on Publications on the basis of work done by competitors during freshman and sophomore years. In 1930 the annual became a charter member of the National Scholastic Press Association and for the last three years the book has received All-American rating at the national convention of the association.

The name "Argo" is derived from Greek mythology in which it is represented as the sister ship of the "Holead" in the search for the golden fleece.

# THE ARGO

## The Holcad

Founded 1884

The undergraduate newspaper of Westminster College

Published every Tuesday of the college Year

Member of the Intercollegiate Newspaper Association of the Middle Atlantic States.

The Holcad is a six-column, four page weekly edited by a staff of competent college journalists. The aim of the paper is to record campus events and student opinion on current topics. The paper is run on a competitive basis and the precepts of modern journalism are strictly followed. Professor R. X. Graham is faculty advisor.

The Holcad, a name derived from Greek mythology and first suggested by the Greek students of the college, was founded in 1884 as a semi-monthly pamphlet. Later, it became a monthly literary magazine and finally evolved into a four-page weekly. In its 47 years of existence the Holcad has been characterized by steady progress and continued growth in merit and usefulness as well as size.

## Handbook

The Handbook, which is printed for the benefit of the incoming Freshman Class each year, gives an introduction to the traditions and rules of the college. This book which is edited by the Christian Associations of the college is a guide to the activities in which Freshmen may participate and contains suggestions as to the educational program which is followed throughout the college year.

## Westminster News Bureau

The official information bureau of Westminster College was organized in 1927 under the faculty supervision of Professor R. X. Graham. Since then the bureau has grown to be a reliable source for articles of college activities. At present, it supplies approximately fifty newspapers in this district with copy for the daily press.

MUSIC

### Oratorio Society

The Oratorio Society was formed in 1928 by a combination of the Men's and Women's Glee Clubs. It is composed of fifty members and meets every Thursday evening during the college year for rehearsal under the direction of Mr. Alan B. Davis.

The policy of the organization is to give at least one concert during each school year. This year, a variety concert, consisting of selections from the foremost composers of the time was given during the month of May.

The Oratorio Society is an active, well-organized group and an important element in the musical activities of the college. It has as its aim, aside from the presenting of concerts, the training of its members in concert singing and the acquaintance of the student body with the masterpieces of great composers.

### College Choir

The College Choir is one of the oldest musical organizations on the campus. The choir is composed of about 35 members who meet weekly on Wednesday evenings, for rehearsal under the direction of Mr. Alan B. Davis, director of the College of Music. Miss C. Dorothy Kirkbride, professor of piano and organ of the College of Music and college organist, is the accompanist.

The purpose of the group is to provide music for Sabbath college services and to give special training in choir and congregational singing. It is one of the outstanding musical organizations on the campus.

### Girls' Glee Club

Under the capable leadership of Miss Mae E. Haas, the Girls' Glee Club has been re-organized this year. It has a membership of about 35 and meets every Thursday evening for rehearsal. The organization sponsors the presentation of an operetta each spring.

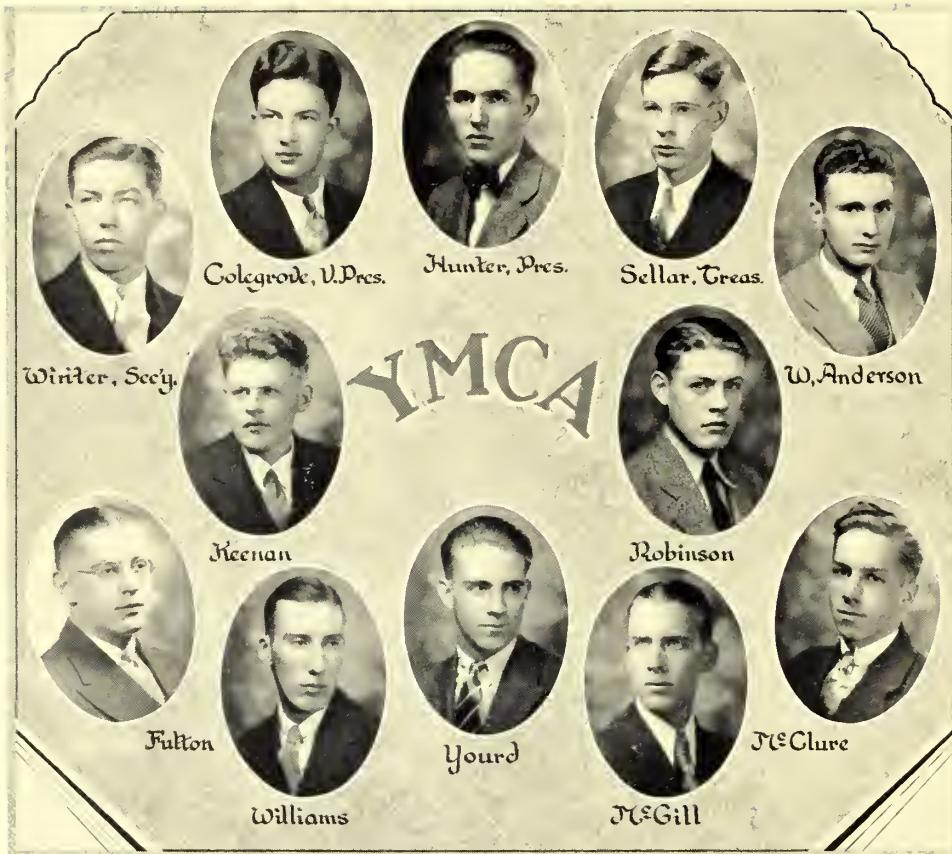

### Male Quartet

The Male Quartet was organized in 1928 under the direction of Mr. Alan B. Davis, director of the College of Music. The chief purpose of the organization is to assist in student canvassing and college advertising. During the year the quartet has presented numerous concerts in nearby cities, assisted in special chapel services and made several radio appearances.

RELIGION

### Y. M. C. A.

An opportunity to become acquainted with other men and to take part in the activities which it offers to them as members is afforded to Westminster men by the Y. M. C. A. It is a welcome haven to many freshmen.

The cabinet of the Y. M. C. A. is composed of outstanding men in the college and meets regularly to plan for campus activities. They are very fortunate in having from time to time representatives of the National Y. M. C. A. to help and advise them.

The meetings are held every Wednesday evening with inspiring programs to attract all. This year the Y. M. and Y. W. held periodical joint meetings of great interest and profit.

For the past few years the Y. M. C. A. with its sister organization, the Y. W. C. A., has supervised the annual Who's Who party and the publication of the freshman handbook. Two years ago, the Big Brother movement was innovated with great success. Aside from these duties the Y. M. C. A. this year has sponsored the Hi-Y movement, the Freshman Commission, and the Intercabinet Exchange.

### Y. W. C. A.

The purpose of the organization is to be the inspiration of the spiritual life of the women of Westminster college and to afford each an opportunity to participate actively in the three-fold life.

Meetings are held once a week with varied programs which are of interest to all. During the past year, the Y. W. C. A. Cabinet has secured as speakers Paul Harris, Jr., a member of the National Council for the Prevention of War and members of the college faculty.

Four delegates were sent to the joint Y. W. C. A. and Y. M. C. A. Conference at Forest Park last year and others will be sent this year. A representative was also sent to the National Student-Faculty Conference at Detroit, Michigan.

The Y. W. sponsors the Who's Who, Girls' Athletics, the publication of the Freshman Handbook, the Spring Hop, the Big Sister movement and the Westminster Y. W. C. A. scholarship at Keen School in Tientsin, China. This year, as a special project, the organization has financed the refurnishing of the Hillside parlors.

### Student Volunteers

The National Student Volunteer movement which has organizations throughout the colleges and universities both in America and in foreign countries was established at Westminster in 1907. The organization is not connected with any particular church board but it is composed of members of all denominations.

Under the guidance and direction of Dr. R. J. Love, the group meets twice a month to discuss problems dealing with work in the foreign fields. Contact with other organizations is provided by representatives from other groups who visit the campus. This organization is open to any who wish to take part in discussions of mission work abroad.

NEW WILMINGTON, PENNSYLVANIA

country. Facilities for 600 students are available.

## STANDING

Due to the high entrance requirements, training of members of the faculty, and curriculum of the college, Westminster stands in the highest group of educational institutions in the country. The college holds membership in and is on the accredited lists of the Association of American Colleges and Universities, Association of Colleges of the Middle Atlantic States and Maryland, and American Association of University Women. Graduates are accepted on diploma in all leading graduate schools and professional schools.

## BUILDINGS

Old Main Memorial, Science Hall, Conservatory, Gymnasium, Hillside, Browne Hall, and eight dormitory cottages comprise the buildings of the college. Five men's fraternities own houses near the campus and provide room and board for members.

## ATHLETICS

During the last five years, Westminster has won three Tri-State Conference championships in basketball, two Pittsburgh district championships in basketball, two championships in cross country, two championships in tennis, and has tied for the conference championship in football twice. The track team has three times placed second in the conference.

The department of physical education has organized, in addition to the varsity sports, intra-mural and inter-class competition in football, basketball, swimming, water polo, volley ball, badminton, tennis, and archery. By these means, three quarters of the students actually participate in athletic games and contests.

Thirty-seven students have passed the American Red Cross senior life-saving tests in the six years the swimming pool has been available.

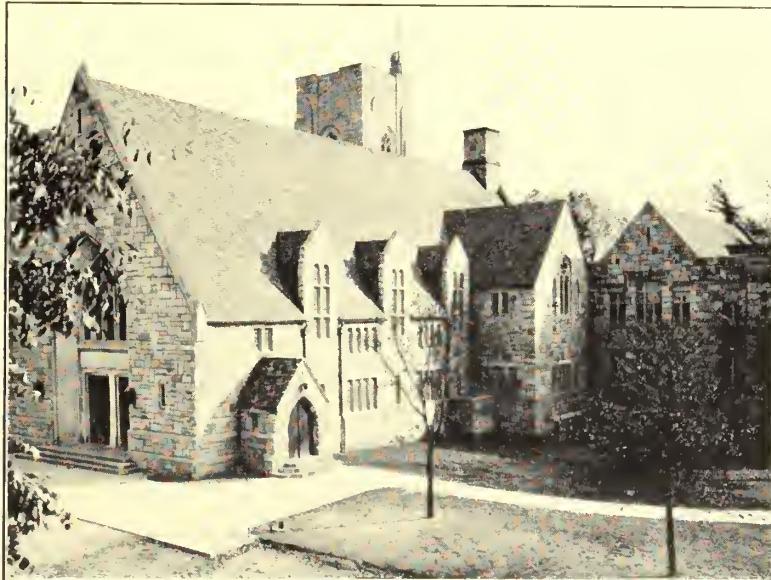

## SPECIAL FEATURES

Special four-year programs in journalism, music, public speaking and dramatics, economics and business administration, pre-legal work, pre-medical work, teacher-training, pre-ministerial work, and general arts courses are offered. Degrees offered are: bachelor of arts, bachelor of science, bachelor of business administration, bachelor of music, and bachelor of science in public school music. Certificates are granted in the two-year secretarial course.

The G. C. Murphy Company is earnestly striving to be of service to the student body of Westminster.

Wholesome Confections, delicious Lunches— Soda Fountain Refreshments, Fine Quality Hosiery, Stationery Items, Ladies and Misses Wear, Men's and Boy's Wear, and a multitude of other every-day necessities,— all priced to suit the student purse, is our every-day service.
